

ATTENTION COMMUNITY BANK DEBIT CARD CUSTOMERS

ALERT: Increased Debit Card Fraud Prompts Additional Security Blocks

Due to excessive counterfeit/fraud experienced at merchants nationwide, we have placed fraud blocks that will require our cardholders to use their PIN numbers to complete transactions at the following merchants: **Grocery stores/Supercenters, Drug Stores & Pharmacies, Service Stations, Department Stores, Home Supply Warehouses, Office Stationery Stores, Shoe Stores and Sports Apparel Stores.** Please remember, when making purchases at these types of merchants, please select the “debit” option and enter your **personal identification number (PIN)** to complete the transaction to avoid a decline of your purchase.

These signature blocks remain in place until further notice.

Please notify the bank when you will be traveling out of town, state or the country so we may assist in monitoring your account. It is also important to keep your contact phone number up to date in the event we may need to reach you to verify suspicious activity. We appreciate your business and will continue to work hard to protect your accounts from fraud.

Kathy Tittle
President

Internet Banking

At Community Bank, **Security** is of the utmost importance. Beginning October 15, 2014, Community Bank internet banking customers will be required to change their password every 90 days. This enhanced security measure will help protect you and your information when using our Internet Banking. If you have any questions regarding this change, please contact one of our customer service representatives at any of the following locations.

Main Bank (903) 236-4422

Hallsville (903) 660-2265

South Branch (903) 757-3070

North Branch (903) 757-9999

Lone Star (903) 656-2595

Avinger (903) 562-1325
